

WHO ARE KIWANIAN?

Kiwanians are individuals who give a little of their time to make their communities and the world better places in which to live and work. As members of a local club, members have the opportunity to:

- make business and professional contacts
- learn first-hand about local, national, and international issues
- improve and use leadership skills
- participate in the life of their community and world
- develop lifelong friendships

“YOUNG CHILDREN: PRIORITY ONE” is a program addressing the needs of children through projects in pediatric trauma, safety, child care, early development, infant health, nutrition and parenting skills.

CLUB MEETINGS

The Kiwanis Club of the Foothills meets at La Hacienda Restaurant, 1606 Conestoga, Boulder, CO, for breakfast and an informative program each Monday at 7:00 a.m., adjourning promptly at 8:00 a.m.

THE OBJECTS OF KIWANIS...

In 1924, Kiwanis adopted the following six Objects which have remained unchanged ever since:

TO GIVE primacy to the human and spiritual, rather than to the material values of life.

TO ENCOURAGE the daily living of the Golden Rule in all human relationships.

TO PROMOTE the adoption and the application of higher social, business, and professional standards.

TO DEVELOP, by precept and example, a more intelligent, aggressive, and serviceable citizenship.

TO PROVIDE, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

TO COOPERATE in creating and maintaining that sound public opinion and high idealism which makes possible the increase of righteousness, justice, patriotism, and goodwill.
