## THE OBJECTS OF KIWANIS

In 1924, Kiwanis International adopted the following six Kiwanis Objects which have remained unchanged ever since:

**TO GIVE** primacy to the human and spiritual, rather than to the material values of life.

**TO ENCOURAGE** the daily living of the Golden Rule in all human relationships.

**TO PROMOTE** the adoption and the application of higher social, business, and professional standards.

**TO DEVELOP** by precept and example a more intelligent, aggressive, and serviceable citizenship.

**TO PROVIDE** through Kiwanis clubs a practical means to form enduring friendships, to render altruistic service, and to build better communities.

**TO COOPERATE** in creating and maintaining that sound public opinion and high idealism which makes possible the increase of righteousness, justice, patriotism, and goodwill.
