## Snippets from Recent Club Programs

### 10/21/19 - Molly McKinley, Bicycle Colorado

Molly McKinley is with Bicycle Colorado, the statewide bicycle advocacy organization that leads a passionate and growing movement that champions the interests of everyone who rides or wants to ride a bicycle in our state. In her role as Community Safety Coordinator, she travels around Colorado educating both drivers and bicyclists on how to safely navigate our streets. These programs are designed to teach motorists and bicyclists how to use our streets safely together. The 1.5-hour, interactive courses cover laws for each road user, how to navigate on-street bicycle infrastructure and how to avoid common crashes between motorists and bicyclists. Auto-Friendly Bicyclist also reviews information specific to bicyclists, including how to ride defensively, tips for route planning and how to manage situations unique to bicyclists. Thanks, Molly, for an interesting program.

### 10/19/19 – Coolest Dog Celebration at Upslope Brewery

A group of about 35 people plus maybe 10 dogs packed in to the Upslope Brewery's tap house to celebrate the end of our Coolest Dog Contest. Several Kiwanis members attended including Dave Rogers, Paul Bailey, Bill Anderson, and Randy Hayden as well as Jerry and Janet Gilland. Jerry's daughter Sue and family along with their 6th place runner up dog, Auggie, made the trip from Vail. We handed out just about all of the 30 cases of Upslope beer in our special cans with the winners getting their share as prizes. We had a strong demand for the remaining cases that generated \$450 in donations. There was a slide show showing the dogs in the background as well as Amanda May taking professional photos. Interesting to note, the 5th place winner "Ruby" was from Nederland and "Holland" who finished 4th is actually from Canada and travels about in an Airstream! Thanks to all who participated!

## FOOTHILLS KIWANIS CLUB FOUNDATION MINUTES ~ October 2, 2019

Present: Dave Rogers, Bob Mohling, Vince Van Zago, Bill Anderson, Craig Hurst, Alan Boeve, Annette Wagenknecht, Brian Coleman

Call to order at 7:01 AM

### **External Guest Request**

Request from Jessica Kalloor, Lt Governor Key Club, to Foothills Kiwanis to find a sponsor for the Thornton Key Club. Other clubs have turned her down. Bob Mohling volunteered to take on the duty if someone else could take over his Peak to Peak Key Club sponsorship. Annette Wagenknecht expressed interest but wants time to consider.

### **Minutes**

There were no corrections to the September minutes. The minutes were approved unanimously.

### **Treasurer's Report.**

It was unanimously approved to table the three September reports pending Rudi Baumann's yearend review.

### **Ongoing Service Projects**

The Coolest Dog Contest netted a little over \$11,000. Upslope Brewery will sponsor 1 to 3 celebrations for event winners. It was felt by the Foundation Board present that the first-time fund raiser was a success. Some suggestions to improve our efforts next year included reaching out to pet stores and vets for sponsorships and getting permission to download the Fox 31 broadcast on our behalf. It was also brought up that next year we need to get nominations for Coolest Dog early, before voting results discourages entry. Alan reported that there has been no response from Laura Greenway about a Coolest Dog article in the Kiwanis magazine. Alan suggested that we could write our own

article and submit it, if necessary. Alan will need three checks from the club to pay for expenses. He will try to have invoices by Friday's Anniversary Party, but if not, will need checks issued next week.

Adjournment of the meeting was approved unanimously at 7:35 AM

## FOOTHILLS KIWANIS CLUB BOARD MINUTES ~ October 2, 2019

Present: Dave Rogers, Bob Mohling, Annette Wagenknecht, Vince Van Zago, Bill Anderson, Brian Coleman, Craig Hurst, Alan Boeve, Michael Paugh

Call to order at 7:35 AM

### **Minutes**

The September Minutes were unanimously approved.

### **Treasurer's Report**

Also unanimously approved to table until Rudi can review.

### **Speakers Schedule**

All October spots are filled except for 10/28 which Bob stated will be filled.

### **Invocation Schedule**

All spots in October are filled.

### **Roles**

The Board felt that there should be a separate committee with outside meetings to deal with club communications. Brian Coleman will chair the meeting with Dave, Bob, Bill, and Craig as committee members. Meeting is TBD sometime in October. Topics will include determining project leaders using Craig's metrics to help determine those interested. Also considered important is bringing new members into project roles shortly after joining.

### **Service Projects (short term)**

Salvation Army Red Kettle and Angel Tree drives are coming up. Sunday afternoons are now available for bell ringing (pick a facility). When the Red Kettle drive starts (November), ringing will be four to six hours per day. The Stars of Tomorrow Talent Show will be on 10/20. Friday's Anniversary party is set. Bob passed around a sample program. Coat and tie recommended for this meaningful event.

### **Project Criteria/Champion Selection**

Craig reviewed the results of the survey and demonstrated how individual member rankings can help with champion selection. For example, the top three interested members in a project would be natural fits for champions. Several members expressed interest in service projects not currently approved. All project must be approved by the Board and must be in keeping with the Kiwanis theme. Club needs to avoid projects where sponsors are just looking to raise funds for their organizations.

It was unanimously approved to adjourn at 8:30 AM.

## Upcoming Community Service/Fundraising Events

- Pete Sprengle Coach Excellence Award – on November 25 Sally Peterson and Misie Goodard will attend our meeting for the award presentation.
