### May 18 – Erna Maj, Maji Safi Group Leader, "Update on Maji Safi Community Development Projects in Tanzania"

Erna, Maji Safi Group Board Chairperson, gave our club members an update about the Maji Safi Group's community-development activities in the village group called Shirati located in the northwest area of Tanzania on the shores of Lake Victoria. One of the biggest needs of the 50,000 inhabitants is getting clean water since Lake Victoria is highly contaminated, so a major goal of Maji Safi is to provide access to clean water by residents and hospitals by 2030. Another goal is to provide public sanitary toilets to all inhabitants by that year. Current Maji Safi projects in Shirati include –

- Teaching children about basic hygiene, nutrition, prevention of diarrhea, and female hygiene
- Providing a staff of 14 health-care workers for clinic and home-visit treatments
- Working with fishermen to prevent getting parasitic infections from the Lake Victoria water that can eventually kill them
- Providing singing and dance classes for youth and adults
- Hosting a Friday radio program where listeners can call in with questions about health and hygiene practices
- Organizing community clean-up events to remove trash from public areas
- Sponsoring community events where villagers gather to build new friendships
- Holding sports events (especially soccer tournaments) for youth
- Teaching kids and youth how to use high-tech learning tools.

The Maji Safi Group is working with Boulder-area schools (Whittier Elementary, Casey Junior High, Fairview High School, Alexander Dawson), as well as with the University of Colorado and Colorado State University, to create student awareness of the needs of Tanzanian residents in Shirati and elsewhere. ### Help Needed for June 15 Foothills "Dog Days" Benefit Golf Tourney

-- Bob Mohling, Golf Tourney Committee

We need help from our club members, spouses, and friends to handle the many tournament day duties. Please ask your spouse and friends to help by signing the clipboard signup sheet that will be circulated at the club meeting this morning. We can only pull off the tournament if we have the help of many to host the event. The tournament date is June 15, 2015 at Lake Valley Golf Course.

**Bolder Boulder 10K Starting-Line Fundraiser**

***-- Bob Mohling, Starting-Line Project Coordinator***

Thanks to our Kiwanis and Key Club members and friends who helped at our Starting Line project (Bandit Control) for the 37th annual running of the Bolder Boulder 10K citizens' race. The members and friends who helped were: Paul Bailey, Adam Pauluhn, Kerry Hassler, Jan/Dave Rogers, Joe Girard, Gerald Mordhorst, Kay/Stan Moeller, Betty/Ralph Van Houten, Bob/Marilyn Mohling, Ron Friedrich, Emily Tarbush, Casey Skram, Kylie Boren, Leah Matsumoto, Melissa Myer, and Cate Daniels. This year we started a record 100 waves of over 51,000 runners. The stadium ceremony was again very patriotic to recognize the service of our veterans. There were skydivers who landed in the stadium carrying flags of our armed services. There was a flyover of two F-16 Falcons.
