August 20 – Mike Fellows, “Broomfield Veterans Memorial Museum”

Mike Fellows, President of the Board of Directors, told us that the museum was established to honor all men and women who have served in the armed forces of the USA. It was also established to preserve and perpetuate the military history of our nation for the benefit and education of generations to come. The museum currently has exhibits on WWII in Europe and the Pacific, WWI, Korea, and Vietnam. The museum sponsors a Coffee and Conversation on Saturday mornings with local veterans; visitors can listen to stories of service and sacrifice, ask questions of the speakers, see short videos, and discuss the broader context of the speaker’s experience. The museum is located at 12 Garden Center in Broomfield is open Saturdays 11 am – 4 pm. The museum is the only standing Veterans Memorial Museum in the state of Colorado. Mike is retired from the US Army with 26 years of service; he and his family live in Gunbarrel. Thanks, Mike, for an interesting program; more info is available at www.broomfieldveterans.org.

August 27 – Bob Mohling, “Scenes from an African Safari”

Bob and Marilyn used Overseas Adventure Travel (OAT) agency to travel to Tanzania and the Safari Serengeti during February 2012. Their Anthem Ranch neighbors, Norma and Don McGraw, took the same safari trip only two days earlier. Bob showed a video prepared by Norma, a retired video technician, of African wildlife that included the Big Five, the Ugly Five, and National Geographic-type video of many wild animals in their natural environment. The itinerary of the two-week tour included: Arusha, Tarangire National Park, Ngorongoro Highlands and Crater, Oldupai Gorge and Serengeti National Park. OAT specializes in small group (10-16 travelers) adventure, value and discovery on the road less traveled. Boulder's foundation funds are managed by a professional firm. The projects include: Serving the underprivileged through a learning center; Sponsoring a health program with Boulder Soccer for youth; Assisting with academics at the Boulder Votec; Cooking breakfast for the vets on Veteran's Day. Our Foothills Board will discuss the Boulder Club's proposal and take action at its October meeting.

September 5 Foothills Kiwanis, Boulder Foundation Board Meeting Notes

-- Dennis Hubbard, Secretary

The Board of the Foothills Kiwanis Board met at the Egg and I restaurant on September 5, 2012. President Symes called the meeting to order at 7:40. Attending were: President Symes, Treasurer Gilland, Secretary Hubbard, DeYoung, McDermid, McGehan, Pauluhn, Rogers, Sprenkle, Schweitzer.

Guests: None

TREASURER'S REPORT: A motion was made by Rogers and seconded by McDermid to approve the August Foothills Kiwanis Foundation financial reports. Passed. Gilland reported the Foundation was in good financial condition because the of Golf Tourney and Dog Project income.

SECRETARY'S REPORT: A motion to pass the August 6 Special Meeting and August Foundation minutes was made by Sprenkle and seconded by Rogers. Passed.

NEW BUSINESS: Gilland reported that his service dog, Casey, has been placed with a diabetic child. A graduation ceremony for Casey will be held by Eastern Star, a sponsor of the project. Two other dogs will be ready for adoption upon completing their final training.

--Discussion was held regarding the transfer of monies from the Foundation account to the General account to make up a shortfall due to subsidizing the meetings' breakfasts. The Club presently subsidizes \$1.50 for each meal. An extra \$1.50 will be needed for each breakfast in the future. A motion was made by Sprenkle and seconded by McDermid to keep fundraised money in the Foundation account. The motion passed with one objection.

--DeYoung reported that a day sponsored by the Club to work on Habitat for Humanity project, would cost \$2,500 for 14-18 volunteers. It was decided to determine a date and have a few members join other workers on a project. There would be no cost to the Club for helping another organization.

--Discussion on donations to three organizations. The Board decided to sponsor a high school student in Uganda for a year at a cost of \$500. It rejected a request for a donation to Crayons to Calculators due to the fact that the organization has been very successful with large fundraising efforts in the community. The Board is waiting to make its decision on a donation to KTPI until it gets a report from Rogers as to the status of Kiwanis sponsorship at Children's Hospital.

The Foothills Kiwanis Foundation Board meeting adjourned at 8:15.
