#### September 23 – Harlon Olson: Run for the Wall 2013

Harlon Olson from Longmont is a veteran who has been touched deeply by the issue of American servicemen who are currently prisoners of war or missing in action. Every year he and his wife take part in a motorcycle ride across the country to raise awareness of this issue to both the American people and the US Congress. This year his ride began in southern California and cross through the southwest to the midwest and ending in Washington DC. The trip took ten days and throughout each day of riding there were events to raise awareness across the country. Harlon's ride was one of three routes that crossed the country. It was an emotional tribute to know that so many people have come home from war to a society that did not welcome them, and Mr. Olson is pleased to say that such an attitude is changing in America.

#### September 30 -- Foothills Kiwanis 2013-2014 Officer/Board Induction Ceremony

This year for our annual officer and board member induction ceremony we were joined by Dawn White, the recently elected Lt. Governor of the Rocky Mountain Kiwanis region. Mrs. White discussed the importance of growth for the Kiwanis regional community and the reintroduction of division council meetings. She was very interested in receiving copies of our club's newsletter so that she may stay informed about the activities of Kiwanians in the Boulder area. Dawn is a realtor based out of Longmont. To Dawn, Kiwanis mean three things:

- 1) Friendship- fellow Kiwanians are always there when you need them
- 2) New Adventures- we are always taking on new challenges
- 3) Serving Children- time spent helping children is always a good choice

We were honored to spend the morning with such a charismatic and charming leader. We look forward to working with her to serve the children of the world!

*KIWANIS: Serving the Children of the World*

Our continuing President, Adam Pauluhn spoke following the Lt. Governor's speech. Adam stressed that each of us in Kiwanis are leaders for taking a role in making our community better. He looks forward to serving another year and hopes to further promote the growth of our Service Dog project. In addition to our other club projects, Adam would like our club to serve the Boulder community in flood relief assistance. Specifically, families with young children. We have already identified some opportunities to help families affected by the flood and hope to capitalize on our network of resources and service organizations to help families who had their homes taken away by the flood waters.
