Snippets from Recent Club Programs

October 30 – Capt. Mark Czanderna, SA Red Kettle Program

Our club member, Capt. Mark of the Salvation Army, gave an impromptu presentation on the plans for the 2017 bell ringing season. He explained that our club will again have two bell ringing sites: King Soopers at 1650 30th Street and Meadow's Safeway. He indicated that our members can sign up at Monday morning meetings, or use the new website located at: www.registertoring.com. Bell ringing will begin on November 13 at King Soopers. A few things to remember:

1. A bell and apron should be waiting for you at the stand when you arrive (possibly with the prior ringer). Please be patient if our staff is running a few minutes late with delivery.
2. After your shift, place the bell and apron on the kettle stand for the next bell ringer.
3. If you are the last shift of the day, please leave your bell and apron next to the kettle for The Salvation Army staff to collect. All kettles are securely locked to the kettle stand.
4. Have FUN! The Salvation Army bell ringers are an icon of the Christmas season!

Again, thank you for helping those who have so little!

November 6 – Club Education and Veteran Recognition

Joe Girard and Bob Mohling gave a Kiwanis education presentation to our club members. The presentation focused on the four levels of Kiwanis structure: international, district, division, and club. Our club was chartered on September 23, 1969 with Lee Johnson being our first club President. Rudi Baumann is a charter member of the club. President Paul Bailey provided his goals for the 2017-18 administrative year. The main focus is a new club meeting location, getting new members, and emphasizing continued support of our community service projects. Bob gave a Veteran's presentation to recognize and honor our seven veterans who served for the period WWII to Granada, and to recognize the four veterans belonging to our club members. Copies of both presentations are available from Bob Mohling. Thanks to our veterans for their service!

need a chair for Dog Days tournament. The decision will be made in January.

- To Pete Sprenkle, as he continues to battle bone-marrow cancer.
- To Kerry Hassler, who continues additional medical treatment.
