## Snippets from Recent Club Programs

### September 10 – Peter Kleinman, “Second Wind Fund of Boulder County”

Mr. Kleinman is a psychiatrist who works with at-risk youth in the Boulder area. After living in Ann Arbor Michigan for many years, Peter returned to Boulder with his wife and works with the Second Wind fund to help teenagers considering suicide. The key aspect in determining if a young person is likely to attempt a suicide is a marked change in behavior, whether that be positive or negative. Peter has witnessed suicidal behavior in all classes of young people, and through the Second Wind Fund of Boulder he hopes to give young people another chance at life. More information can be found at:

### September 17 – Marie Connolly, “Guiding Light LLC”

Marie Connolly is a patient advocate and spoke to our club about the services she provides. A patient advocate looks out for the best interests of an individual who is considering spending time in a hospital. The new health care law passed by congress affects patient care by conducting audit of admissions, meaning that hospitals will be encouraging a minimum three day stay in a hospital. Her primary advice was to not assume that someone is in charge when you are seeking medical assistance at a hospital. Key advice in her talk was 1) Take notes, and have provider write everything down, 2) No advocate is need for a 1-day surgery, 3) Medicare Patients require advocates, 4) It is a good idea to have an advanced directive in case of complications while at a hospital. Very useful information.

## September 24 Foothills Kiwanis Club Officer Installation Program

This week we welcome the Rocky Mountains Kiwanis District Lt. Governor Marylin Sickmon to our club for the annual officer installation program. Adam Pauluhn is taking over for Gary Symes in the coming year. Many thanks to Gary for leading our club in this past year. Gary has distinguished himself as a dynamic leader by helping to guide the Foothills Kiwanis club through a challenging year and even a growth in activities. We look forward to having Adam as our president and thank Gary for all his hard work and service.

## October 13, Broomfield Veterans to Honor Waverly Person

On Saturday, October 13, from 9-11 am there will be a Coffee and Conversation gathering to 9-11 am with Foothills Kiwanis member Waverly Person at Broomfield Veterans Memorial Museum. Waverly is a veteran of WWII and has distinguished himself as the foremost expert on natural seismic monitoring. The museum is located at 12 Garden Center, Broomfield, CO, 80020. For questions call 303-460-6801. You can find out more about the museum at [www.broomfieldveterans.org](http://www.broomfieldveterans.org). All Kiwanians and their families are invited to attend.

Brunswick native Waverly Person, now a resident of Boulder, Colo., was a first sergeant in the 3257th Quartermaster Division in support of the 3rd Infantry. He served in New Guinea, the Philippines, and Japan from 1943 to 1945. Person is now Chief of the Earthquake Information Center in Golden, Colo.

## Upcoming Club Business

With the new officer installation today it has been overlooked that some club leadership positions need to be filled. The bylaws say that we need a two-week period before voting. A motion was made and seconded by Board members that we waive that requirement and a vote was held on Monday, September 17. The nominating committee is asking for your support of these Foothills Kiwanis candidates when we vote next Monday.

Treasurer- Allison DeYoung

Board of Directors-

Bob Mohling

David Petrick

David Rogers

The intent is that Allison will fill in as Treasurer on a temporary basis and then revert back to being a Board member for both the Club and the Foundation.

Those Board members whose terms expire on September 30 are Jim McDermid, Fred McGehan, Dave Rogers, and Clarence Wood. Depending on what happens with the Boulder Kiwanis Club, we will possibly fill our Board with some new members.

**Editor's Note:** President Gary will be circulating signup sheets for invocation, programs, and meeting set up. Please volunteer to help our club by signing up for one or more of these jobs. Thanks for helping out!
