July 1 – Michael O’Neill, The Switzerland Trail

Michael gave our club an excellent presentation on the Switzerland Trail that from 1883-1919 was a working railroad from Boulder to Ward and Eldora, but thousands bought tickets to view the “Switzerland in America”. He explained that the railroad connected many camps and towns west of Boulder originally to move gold ore to Boulder and coal from Louisville to mining camps. Many of these camps and towns no longer exist. It was interesting to see how these towns looked in from photos taken from a book by Crossen. Michael is a California native who has adopted Colorado as his home. He works for the Boulder Planning Department, and lives in Nederland close to the Switzerland Trail. Michael will speak again on July 15 about “accidents and mishaps” on the trail. For more info, see -- <http://switzerlandtrail.blogspot.com>.

July 3 Foothills Kiwanis Club Board Meeting Notes

-- Dennis Hubbard, Foothills Kiwanis Secretary

The Board of the Foothills Kiwanis Club met at the Egg and I Restaurant on July 3, 2013. President Pauluhn called the meeting to order at 7:06. Attending were Board members: President Pauluhn, Treasurer Gilland, Secretary Hubbard, Baumann, DeYoung, Mohling. Guests: Hassler
SECRETARY'S REPORT: Motion made by Baumann and seconded by DeYoung to approve the June minutes. Report approved.

TREASURER'S REPORT: Motion made by Mohling and seconded by DeYoung to approve the June treasurer's report. Passed.

GENERAL BUSINESS: Gilland reported that there is still a problem resolving the weekly meeting accounts with the SOL. Part of the problem appears to be the 90-day credit union clearance requirement. Discussion was held regarding the possibility of changing financial institutions to have a faster clearing time for the checks. The motion was tabled until the next meeting.

--Discussion was held regarding giving the wait staff a tip. This was tabled until the next board meeting after Adam checks about staff tips with the SOL management.

--Approximately 25 members and volunteers will assist with the money collection and counting for the July 4th celebration.

--It was brought to the attention of the Board that Jim Creasey and Paul Bailey are presently not Kiwanis International members. Last year's International dues must be paid before International will recognize their membership in the Foothills Club. Since we are confident that international dues will be paid, a motion was made and passed that Creasey and Bailey be considered members of the Foothills Club as of their April 4, 2013 application and approval. Passed.

--Hassler noted that the Vice President position is in the By-laws, but not filled. Hassler volunteered to fill the position. A motion made by Baumann and seconded by DeYoung to approve the appointment. Passed.

The Foothills Kiwanis Club Board meeting adjourned at 7:35.

July 3 Foothills Boulder Foundation Board Meeting

Notes -- Dennis Hubbard, Foothills Kiwanis Secretary

The Board of the Foothills Kiwanis Foundation met at the Egg and I Restaurant on July 3, 2013. President Pauluhn called the meeting to order at 7:45. Attending were: President Pauluhn, Treasurer Gilland, Secretary Hubbard, Baumann, DeYoung, Mohling. Guests: Hassler

SECRETARY'S REPORT: A motion was made by Mohling and seconded by Baumann that the minutes of the June meeting be approved. Report approved.

TREASURER'S REPORT: A motion was made by Mohling and seconded by DeYoung that the June Foundation Treasurer's report be approved. Passed.

NEW BUSINESS: A motion was made by Gilland and seconded by Mohling to approve the transfer of Foundation Investments be transferred from Morgan Stanley to Higgins/Young. Motion passed.

--Gilland has rewritten the Academy Insurance policy to "track B" only. This means that all future puppies are placed with owners/trainers and not with trainers and then transferred to the puppy owners. It was suggested that the puppies raised by

Gilland and later transferred to the new owner be the present exception. All future puppies are to be raised and trained by the owner. The motion also includes the reimbursement of \$756 to Susan Dickinson for puppy expenses. A motion was made by Mohling and seconded by Baumann to approve the motion. Passed.

--A Thank You note is to be sent to the two trainer families for their training assistance.

The Kiwanis Foundation Board Meeting adjourned at 8:10.

Update about "Developing Global Leaders" Programs

-- Ryan Mohling, Developing Global Leaders Staff

Thanks so much for your support and prayers for these talented students in the Developing Global Leaders program! If you only have time for one thing, watch this 2-minute video of Peter, one of our DGL students in Kenya:

<http://vimeo.com/61387531>

Peter: Growing up in a poor family with a single mother in the Soweto slum outside Nairobi, Kenya, Peter had to give up on his dreams to go to college in order for the family to be able to send his brother to high school. As a teenager, Peter got involved with the wrong crowd and was starting to get into trouble. But that's when a Young Life leader named Martin "met him at his hangout" (as Peter describes it), and invited him to Young Life. Peter ended up going to camp where he met Jesus, which changed his life. He's now a Young Life leader mentoring a group of younger students while studying mechanical engineering in the university. Peter says that when he changes a person, that person has to go and change a person, and then that person has to change another person, so "at the end of the day, Kenya will be peaceful and have leaders who have humanity in them, leaders who are yearning for change."

Travels: I just got back from 10 days in Haiti and the Dominican Republic, where we have a total of 60 DGL scholarship students, traveling with the videographer who made Peter's video to capture more of these DGL stories that will eventually go into a DGL promotional video. From Pierre Etgard who is studying architecture so that he can rebuild Haiti, to Louddine who is studying law and wants to be President of Haiti someday, we're excited to see more of these stories in video form! Stay tuned!

Pray for Ryan:

- Camp Assignment: I'll be working as part of a Latin America staff leadership team at the Trail West camp outside of Buena Vista, CO for a month starting in mid-July, as a work crew boss. Pray for energy and that serving in this way could be rejuvenating!
- Scholarship Funding: Pray for us as we look to bring on our next 100 DGL students in 32 countries. If you know someone that would be interested in partnering with one of these students, you can send them to:
<http://www.ylgloballeaders.org/connect/list>

Thanks so much for your support for this next generation of leaders in the developing world! [NOTE: In April Foothills Kiwanis donated \$200 to DGL programs through Ryan.]
