3/18/19 – Cpts. Czanderna & Whipple, The Salvation Summer Camps and Army Red Kettle Recognition Day

Capt. Dan spoke to us about The Salvation Army summer camps, in particular, High Peak Camp at Estes Park. The camp is nestled at the foot of the beautiful Rocky Mountains in Estes Park, Colorado. It is the gateway to the Rocky Mountain National Park, as well as many other tourist attractions. High Peak Camp and Conference Center is a Christian facility owned and operated by The Salvation Army, an evangelical branch of the Christian Church. Their mission is to use the elements of nature and the great outdoors as a setting to share the gospel of Jesus Christ. There are 55 SA camps in the US. These camps have hotel style lodges with chapels, meeting rooms, amphitheatres, and sport fields. The camps are set up so that “a kid just gets to be a kid”, and meals are set up to eat family style – something that many have not experienced. In 2017, there were 45 students that participated from Broomfield. For more information, go to: www.highpeakcamp.com.

Caps. Sherry and Mark presented 15 recognition plaques, plus the 1st place trophy to Foothills, to the major donors of time, talent, and treasure for the successful Angel Tree and Red Kettles projects for the 2018 Christmas season. The photo shows Acting President Joe accepting the trophy for the Foothills Kiwanis Club. There was competition for the trophy this year from the North Metro/Broomfield Club, and we expect more next year!

Invitations were sent with letters to Ball Aerospace, Alteryx Inc, Sierra Nevada, TSYS, and Cadence Academy for their support of the Angel Tree project with donations of toys and clothes. The photo shows Martha Chavez from Ball Aerospace accepting a plaque for their employees who donated over 700 Christmas gifts. We thank all the volunteers that supported Angel Tree and Red Kettle projects!

3/25/19 – New Member Orientation

Dave and Bob provided an educational presentation for our new club members. The presentation topics covered were: Who we are, The Kiwanis Club of Foothills, Kiwanis International, and Q&As. We learned our motto is: Serving the children of the world. There are 550,000 members of the K Family worldwide. Each year, Kiwanis clubs: sponsor nearly 150,000 service projects, devote more than 18.5 million hours to service, and raise more than US\$100 million for community projects.

3/26/19 Membership Drive at Sweet Spot Cafe

We had only two guests at the Membership Drive breakfast at Sweet Spot Café, but our drive teams have numerous follow-up opportunities. The Membership Committee now has a combined list of over 20 prospective members of friends and candidates from the membership drive. During the meeting we provided a description of our community service projects and discussed the benefits of club membership. Jerry and Bandit described our alert dog service program; they were the hit of the morning breakfast!

4/1/19 – Matt Wittern, Gross Reservoir Update

Matt Wittern is a professional communicator with experience sharing information with stakeholder groups on some of the state’s largest civil engineering and construction projects. He grew up in Broomfield and later earned his undergraduate degree from Colorado State University. His current role at Denver Water is as the Community Relations Liaison for the Gross Reservoir Expansion Project, which will help

Denver Water increase water collection system resiliency and balance while providing environmental benefits for the state. He explained that population growth is 10,000 people per month, and the northern water collection system provides only 10% of Denver’s water needs. Gross was built in 1950 with intent of a 131 foot raise to triple the reservoir size. The Two Forks lesson: work with the stakeholders!

3/30/19 – Key Club District Convention at Denver Sheraton West Hotel

-- Bob Mohling, Kiwanis Sponsor

Bob and Dave attended the K-Family Luncheon and advisors meeting at the Denver Sheraton West. There were six Peak to Peak HS students in attendance with their Faculty Advisor, Ms. Medina. These students are: Tiffany, Jessica, Taylor, Emily, Sophia, and Aishra. They are Freshmen and Sophomores at Peak to Peak. Jessica is the new Div. 11 Lt. Governor. We are proud of their many accomplishments!
