KIWANIS: Serving the Children of the World

October 4, 2010 Foothills Business Meeting

President Joe Girard led our club meeting in a discussion of his plans for the new administrative year. Although Joe is our president, he indicated that it is really the members club. He asks that we complete the club questionnaire and return to him by the next meeting.

With the results of this questionnaire, the board will look at the areas of change in meetings, membership, and projects for the year. Joe appreciates the work of our members. He wants to give all members an opportunity in community service projects. He asked that we think about fundraisers for the club. He challenged us by saying that we must make things happen in our club and community. Thanks, Joe, for being our President and for the club challenge!

CareConnect Fruit Basket Delivery Now Scheduled

President Joe announced that CareConnect is sponsoring their annual fruit baskets on December 11, 2010 to needy and elderly persons in our community. CareConnect, formerly RSVP, has been serving the community for nearly 4 decades! They provide free services for seniors and adults with disabilities, helping to make Boulder County a better place to live and age well!

Several of our members asked about CareConnect. CareConnect is a non-profit organization that offers programs which provide security, comfort and independence for seniors and adults with disabilities. The areas of assistance are:

Medical Mobility

Escorted rides to your medical appointments. Please call 3 business days ahead of time for booking. There is a suggested fare of \$2-\$4 each way but there is no financial obligation if you are unable to pay.

Carry-Out Caravan Grocery Delivery

We can help you get the groceries you need each week. Volunteers take your order over the phone, shop and deliver your groceries. You are responsible for the cost of your groceries, but the service is free of charge.

Fix-It

Our experienced volunteer Fix-It team provides minor home repairs, including grab bar installation, leaky faucet repair, and many other household jobs. We can also provide you with a free energy conservation kit, which includes items that can lower your energy bills. As a client you are responsible for the materials, but the service is free of charge.

For more information about using these services, or for information about volunteering with one of these programs, please call at 303-443-1933.

Boys & Girls Clubs of Canada

Kiwanis' newest partner, Boys & Girls Clubs of Canada, exist in 100 clubs across the nation, and provide a safe, supportive place where children and youth can experience new opportunities, overcome barriers, build positive relationships and develop confidence and skills for life.

Boy Scouts of America

Kiwanis has partnered with Boy Scouts of America to ensure boys, young men and women may grow in character, citizenship responsibility and leadership to achieve their greatest potential.

Children's Miracle Network

Key Club participates with Children's Miracle Network by sponsoring fund-raising events. In addition to raising funds, Key Club members also participate in service projects at their local children's hospital.

March of Dimes

Kiwanis International, CKI and Key Club are proud to partner with the March of Dimes to give every baby a healthy start! Members are helping by raising thousands of dollars annually through various programs, including its signature event, March for Babies.

UNICEF

Kiwanis International joined forces with UNICEF to combat iodine deficiency disorders (IDD) worldwide during the Worldwide Service Project for IDD. Now, Kiwanis and UNICEF are partnering again on The Eliminate Project: Kiwanis eliminating maternal/neonatal tetanus.
