October 22 – Bob Garretson, Past Governor Rocky Mountain District

Past Governor Garretson spoke to us about the need for continuity for our district projects. He suggested that we need to reach out to all clubs in the district to create a vision. He asked why we are in Kiwanis and what keeps us going? We have been losing members at rate of 2.5% for the last 24 years. He showed us a video titled “Celebrate What’s Right with the World” by DeWitt Jones, a photographer of the National Geographic magazine. In the video, DeWitt told us that we need a vision of what’s right for us. He suggested that we should be able to develop a vision statement of six words. He indicated that our perception controls our reality and that our vision is a powerful force. A vision gives us energy. We were given an invitation to attend a district planning session at Terrace Gardens in Denver over the following weekend. Our President Adam plans to attend. We will request from him a summary of the district session results for our next newsletter.

"Update from 2012 Foothills Kiwanis Tuition Scholarship Recipient Kerry Jean Martin"

-- Kerry Hassler

I hope you are all having a wonderful fall, and I wanted to give you a quick update on how my first semester at college is going! As you know, I am currently in Ann Arbor enrolled in the University of Michigan! I have been here for a little over six weeks and I am having a great time! I was really nervous to start at first, as I did not know many other students from Colorado attending U of M, but I have met so many great people here and I'm loving school so far. I'm pretty busy here at school, but I'm having an amazing time and I'm so glad I ended up at Michigan! I feel so honored to attend such a prestigious school, and I can't believe I've only been here a few short weeks. I look forward to the rest of my time here and I hope all is well for you too!

I have also signed up for some clubs and extracurricular activities this semester! I am currently a part of the Michigan Circle-K volunteer group, which as you know is the college chapter of the International Kiwanis Club! The club here on campus is pretty big, but I love being involved so far and I hope that I can continue to be a part of this organization for the rest of my time here at Michigan! I am also involved with a program called K-Grams that tutors children as well as provides pen pals to elementary school kids in the city. My little pen pal just responded to my first letter earlier this week, and it was so cute!

Foothills Elementary Community Service Project -- Paul Bailey

Our newest member Paul has reported on the "Cash for Candy" program at Foothills Elementary. Photo shows students bringing in candy from Halloween to support Operation Gratitude <http://www.operationgratitude.com/halloween-candy-buy-back-2012/> for overseas troops. The local sponsor is Dr. Albers at Boulder Dental Group <http://www.boulderdentalgroup.com/news#9da61735b388502fd29147cd2f62c70c> We collected over 300 pounds of candy between Nov 1 and Nov 2.

This would be a great project to expand to all K-family organizations for next year.
