April 23 - Steve Hinson, Boston Marathon

Steve, a member of our club, former Director of the Kiwanis International Eliminate Project, and currently Development Director of the Habitat Flatirons Affiliate, spoke to our club about his run in the recent Boston Marathon. Steve, an amputee runner, described his training preparation for the marathon. He prepared by running 440 miles - usually 40 miles per week with longest weekly run of 55 miles. His friend Luke, who ran the Boston marathon previously, helped by running with him in training. The weather was miserable with winds of 25-30 mph and incessant rain. At mile 17, Steve developed a blister on his stump. He had two goals: finish as the first one legged runner and break 4 hours. He accomplished the former, but missed the latter by finishing in 4 hours, 28 minutes. Steve, you are our hero!

April 30 - Stars of Tomorrow Winners Video Presentation

Our President, Paul, showed the video of the top winners of the 2018 Stars of Tomorrow contest by category: Junior Contemporary - Macy Friday, Junior Classical - Shuya Edmans, Senior Contemporary - Caleb Bishop, and Senior Classical - Grace Schwab. Grace Schwab was the overall winner and will represent our division at the district competition to be held Sunday, May 20, at 1 pm at the Rialto Theater 228 E 4th St Loveland (for more details go to <http://lovelandkiwanis.org/stars/>). The videos were judged by three local musicians. There were 15 students who entered the competition (hopefully that will increase). Paul believes we can use this template to encourage other clubs to have an event in their local area. The performances were amazing quality. Thanks to everyone who entered the 66th Annual Boulder Stars of Tomorrow! Paul - thanks for your work and ideas!

Steve Hinson, Kiwanis Sponsor

Kate Lunz, Faculty Advisor, provided the photo below and recent status of the Key Club at Monarch High School. Currently, we are running a fundraiser for Leukemia & Lymphoma Society called "Pennies for Patients" that raises money for cancer research. In addition to the cancer research fundraiser, Kate mentions the club is also volunteering regularly on an ongoing basis with Community Food Share. Thanks to the key club for these worthy projects!

Foothills Kiwanis & Family Members Pack a Bag!

On April 14, seventeen members of our club with family and friends helped over 40 members from Risen Savior to assemble 100 Sweet Dream bags for foster children in our community. Thanks to Capts. Sherry and Mark for making the Salvation Center available for the event. Susie and Wayne Fox reported recently that over 9,000 bags have been gifted in Colorado since they started the organization about seven years ago.

Bob Mohling, Kiwanis Sponsor

At our 4/30 club meeting Rachel Medina, the Faculty Advisor at Peak to Peak, recognized Nabhur for her three years of leadership as President of the key club. Nabhur is an outstanding student, and plans to attend the University of Colorado this fall.
