June 3 – Steve Higgins, Global Hope Network International

Scott gave our club an excellent presentation about Global Hope Network International (GHNI), a non-profit that helps improve the lives of the "Bottom Billion" needy people in poor countries by "teaching them to fish, rather than giving them fish". For example, for getting clean water, they teach how to use local materials to make a clean-water purification bucket-system for less than \$5. The general areas of teaching provided by GHNI team members includes getting clean water, food growing and nutrition, improving sanitation and hygiene, generating family income, and providing access to education.

GHNI began through an independent project in 1999 to help an Afghan refugee camp in Pakistan. This effort made such an impression on the nearly three million refugees that stories were told all over the region of the big hearts of the small team. This project set the stage for additional projects by the team, and the official launching of GHNI with a motto/vision of "Bringing help and hope to the hidden and hurting." Since then, over 100 other projects have opened doors for GHNI to bring sustainable and transformational assistance to communities in Afghanistan, Jordan, Iraq, Iran, Sudan, Kenya, Ethiopia, Sri Lanka, Indonesia, Turkey, and many others. For more information about GHNI, see -- <http://globalhopenetwork.org/>

June 10 – Foothills Kiwanis "Dog Days" Benefit Golf Tournament

On the beautiful but very warm day, 63 golfers participated in the 2nd Annual Foothills Kiwanis "Dog Days" Benefit Golf Tournament, raising \$4500 to pay for a media room at the new Attention Homes facility in north Boulder; \$2000 for our Foothills Kiwanis Alert Dog Program that protects children with severe allergies and other medical issues, and \$3500 for the Kiwanis International "Eliminate Project" that prevents babies in poor countries from dying within seven days of birth from the Maternal Neonatal Tetanus (MNT) disease by giving pregnant women a \$1.25-per-shot vaccination. Thanks from Attention Homes for Tourney Donation

-- From Claire Clurman, Boulder Attention Homes Outreach/Marketing Manager (June 10, 2003)

On behalf of all of us at Attention Homes, I wanted to thank you for honoring us at your wonderful event and an incredible \$4,500 donation. Everyone was so pleased to be involved and goodwill was felt by all. I was happy to be included and thank you for allowing me a few minutes to share our story.

We so appreciate our partnership with Foothills Kiwanis and appreciate all of the good work that you do on behalf of our community – near and far! I’ve spoken to our Program Manager in regards to a tour date for early August (I think that’s when you thought more people might be around.) I expect to get back to you within the next week.

Many thanks again!

-- From Jim Rianoshek, Boulder Attention Homes Executive Director (June 11, 2013)

Hello Kiwanis!

Thank you so much for dedicating tourney proceeds to Attention Homes’ media room for youth. It adds another important activity for at-risk kids all the more attractive. Planning on seeing you when you tour our shelter.

Best to you all!
