1/29/18 – Bob Bell, Sierra Nevada Dream Chaser Update

Program Chairpersons:

December – Craig Hurst

January – Open

February – Bob Mohling

Snippets from Recent Club Programs

December 4 – Craig Hurst, Prudhoe Bay Oil & Gas

Craig presented a very interesting program on Prudhoe Bay, his experiences working there for many years, and the state of the oil and gas industry today. He discussed the discovery of oil in Alaska in 1968 and how the 800-mile Trans Alaskan Pipeline was built to accommodate a high of 2 million barrels per day of oil output in 1988 but now only carries 200,000 barrels a day. In 1980 when Craig started in Alaska, oil was at \$30/barrel. It has had its ups and downs with gas output increasing over the years. The biggest challenge for gas is developing an ice-free port for shipping it. Craig discussed the dynamics of Middle East production and cost compared to the U.S. and explained how worldwide oil consumption at 95 million barrels per day exceeds production by 4 million barrels. The world still needs oil for energy and products we use.

The world still needs oil for energy and products we use.

December 11 – Bob Richardson, Cloud Computing

With forty years working for Oracle, Cisco, HP, and Sun, Bob was very qualified to give the club a presentation on the history of the Cloud starting in the 80’s and its growth to where today each of us accesses hundreds of cloud databases daily with our use of computers, IPADS, and iPhone. There is a technology war on a global scale today with many companies vying for customers for Cloud service. User names, passwords, internet connection, and agreeing to terms are what the Cloud company requires. It was explained that Amazon is the largest Cloud provider by two times. Every other company including Comcast and Verizon would love to have you using their cloud. Netflix is huge using 40% of the bandwidth today. Benefits of the Cloud are saving large files including pictures, videos, and documents, backing up these files, file sharing, and access from multiple devices. Bob explained the net neutrality issue with its pros and cons and also explained how personal passwords are critical today as we all try to avoid being hacked.

Dave Rogers

KIWANIS: Serving the Children of the World

December 7 Kiwanis Board Minutes

Foothills Kiwanis Secretary, Capt. Mark Czanderna & Paul Bailey

In attendance: Paul Bailey, Rudi Baumann, Alan Boeve, Mark Czanderna, Fred Fusilier, Jerry & Janet Gilland, Joe Girard, Steve Hinson, Craig Hurst, Bob Mohling, Rich Plumridge, Dave Rogers

-Reviewed the agenda & minutes. Dave suggested that we change the minutes to state that Cody preceded and instigated the service dogs for kids program. Rich moved to accept the minutes, and Rogers seconded. Minutes approved.

-Treasurer's report: Joe Girard stated that the club is in good shape financially. Report approved.

-Logistics: Rich handed the discussion on relocating our meeting location to Craig. Craig reported that we did a straw poll last week. Coal Creek Golf Course was rated over Alfalfa's. Coal Creek stated that we could enter the meeting room at 6:45 a.m. and that they would consider putting in a partition for meeting purpose as summer approaches. The CEO also stated that incoming traffic moves away from the dining area towards the sports shop. Craig did a numbers analysis. Paul stated Coal Creek allows us to flex with food service, because we have no way of knowing how many will show up for a meeting. Rich asked about the cost of meals at Coal Creek. Craig stated the cost was less than \$11.00 per person. Joe stated in an email that Coal Creek was also the lowest cost in this regard. Craig stated that menu at Coal Creek offered a similar menu to what we are used to at Egg and I. Coal Creek has 20 plus seating area. Fred discovered that Egg and I on 287 has a meeting room like the one we enjoy here. Rudi stated concern with parking at Coal Creek if they have an early morning tournament. Rich motioned that we accept Coal Creek as our new venue for our meeting starting on January 8, 2018, and the standing committee will make further recommendations as time goes on. Rogers seconded, and motion was approved.

-Upcoming programs: Craig Hurst is December chairman. Meetings December 4, 11, and 18. No meeting December 25. Meeting adjourned at 8:00 a.m.

December 7 Foothills Foundation Board Minutes

Foothills Kiwanis Secretary, Capt. Mark Czanderna & Paul Bailey

In attendance: Paul Bailey, Rudi Baumann, Alan Boeve, Mark Czanderna, Fred Fusilier, Jerry & Janet Gilland, Joe Girard, Craig Hurst, Bob Mohling, Rich Plumridge, Dave Rogers

-Reviewed and updated the agenda to accommodate Capt. Mark's schedule. Bell Ringing totals unknown. Donations

are being totaled. December 15 start ringing at Meadows Safeway. Some members have been ringing at Broomfield King Soopers and Boulder Walgreens. Please contact Capt. Mark for signup as there may be issues with the online system.

-Foundation Treasurer's report: Reviewed and approved.

-Quarter 1, 2018 Projects: 66th Annual Stars of Tomorrow Proposed shift to virtual competition (Bailey) – will detail for January board meeting- summary \$100 prize per category x4 with \$75 judging stipend (\$25 for each of 3 judges) per category. \$200 entry fee for senior best overall – total budget \$900 (vs \$1,500 previous) Will invite winners to perform at a meeting. Gather entries by March 1, select winners by April 1, district show in May. Suggestion made for a minimal entry fee to make those applications more considered. Quarter 1, 2018 Projects will each need a champion, not a committee.

-Youth Programs. Lead director Hinson was not available for meeting. There were brief updates for Monarch, Peak to Peak Key Clubs, and CKI at CU.

-Service Dogs for Kids Project. Lead director Boeve. Project treasurer's report given by Girard. Status of training eight dogs in program. Two puppies coming in from Ukraine. Honorary membership for Casey Newman. Passed Morgan Lewis. Other logistics include website contact Steve Hinson. Discussion on Dogs Day Golf Tournament for 2018. Lake Valley is the best location as they accept dogs due to previous good behavior. A chairman is needed as Jerry Gilland will not be available to do it.

January 8, 2018 Meeting Location:

Coal Creek Golf Course Clubhouse
585 W. Dillon Road, Louisville, CO 80027

Thoughts and Prayers for Our Club Members

- To Pete Sprenkle, as he continues to battle bone marrow cancer
- To Kerry Hassler, who continues additional medical treatment
