- December - Open

Snippets from Recent Club Programs

September 13 - Liz Kritza, CU Head Volleyball Coach

Coach Kritza informed us of her plans for all the new players on the CU team; 14 new players have been added since January. She is planning for a successful team that will incorporate positive learning of these young players. She is recruiting girls that get along, with a good work ethic, and who will work as a team. The team will move into new facilities in June 2011. Coach Kritza introduced three of her new players: Emily from Brighton's Prairie View, Lydia from Colorado Springs, and Anna from Serbia. Of the 18 players, seven are from Colorado. She expects that CU will be playing at a higher level in the Pac10 Conference. Coach Kritza believes in community service projects for her players; Kiwanis service projects seemed to resonate with Coach Kritza. We hope she will join our club in the future!

September 20 - Jeff Cahn, Municipal Judge, "Homeless in the Park"

Jeff Cahn, who was born in Denver, is Associate Judge for the city of Boulder and Presiding Judge for the Town of Frederick and a Relief Judge for the city of Westminster. He described jurisdiction, scope, and case load for the municipal court for us. He explained CU Restorative Justice, which focuses on education for CU students to resolve issues involving noise and other nuisance violations with neighbors. The CU Judicial Affairs Office works with the students and neighbors to give the students opportunities to repair the harm done without obtaining a criminal record. Judge Cahn also described camping issues involving sleeping (with covers) without permission in public areas. Jeff lives with his wife, Barbara, and daughter, Rihanna, in Boulder. Jeff loves sports and has been a volunteer girl's softball coach for the past six years.

Mapleton Rehab Climbing Wall Project – Sandy Felte

Sandy visited our club to thank us for the recent donation from our golf sponsor donations. Most recently, these funds were used to purchase and install a climbing wall. She presented a copy of a plaque at the hospital that acknowledges our club gifts for therapy equipment used in the Pediatric Rehabilitation Department. We miss Sandy at our club meetings – she resigned due to her health issues and busy work schedule at the hospital. Thanks, Sandy, for all you do to help children!

The Eliminate Project - How to help from RMD Kiwanian

Kiwanis International and UNICEF have joined forces for [The Eliminate Project](#) to save the lives of babies and their mothers by eliminating maternal/ neonatal tetanus, a disease that kills an estimated 60,000 newborns and 30,000 mothers each year.

MNT is easily prevented by a series of three vaccinations to women of childbearing age, with a cost of about US\$1.80. Kiwanis' goal is to raise US\$110 million over the next five years to provide an estimated 387 million doses of the vaccine to women in the 40 countries where MNT remains a health threat.

Kiwanians around the world will be called upon to help with this task.

We changed the world with the eradication of iodine deficiency disorders (IDD).

Now we can change the world again.

Thanks to All for your 2009-2010 Foothills Support! -- Kerry Hassler, Outgoing 2009-2010 Foothills President

Since I won't be able to attend the September 27 Foothills Office/Board Induction Ceremony due to my being in Zambia doing consulting for missionaries, I'd like to express with this message my thanks to all club members for their support and participation in our club's activities and fundraisers during the 2009-2010 club year. Through everyone's combined efforts, Foothills Kiwanis accomplished a great deal in following the Kiwanis International mission of "Serving the Children of the World". In particular, I'd like to give special thanks to Fred McGehan for leading club meetings on my behalf when I was doing non-profit consulting in Thailand, India, and Russia; and also to Mary Schweitzer for arranging fantastic program speakers throughout this past club year. Let's all pull together to support another year of Foothills Kiwanis service to help children in our community, nation, and the world under Joe's leadership as 2010-2011 club president. Thanks to all for being a member of Foothills Kiwanis!

Foothills Kiwanis First Meeting of the Month Reminder

For the first club meeting of each month, bring either –

- Snack items, or a grocery coupon for buying snack items, to help Blue Sky Bridge kids in counseling – OR –
- Bar soap, toothbrush, toothpaste, and other personal care items to help Sister Carmen in-need families

-- that'll be forwarded to these organizations by Woody or another club member. Thanks for your contributions!

KIWANIS magazine's August edition is now online.

The latest edition of KIWANIS magazine is full of inspiring stories and Kiwanis-related news. Read about The Eliminate Project, the new global campaign for children announced at June's international convention, five tactics for increasing the reach of your fundraising, and the power of Kiwanis in Panama. You'll find the August edition as well as archived issues at www.kiwanismagazine.org.
