### May 23 – Bonnie Knuti, "When Crisis Strikes, What To Do, What To Say, How To Help"

Bonnie talked to club members about several topics included in her book with this title, the first topic being gift ideas for someone who's in the hospital or at home during the recovery or rehabilitation process. Instead of bringing flowers or candy, she suggested a gift with purpose that would provide mental stimulation to replace watching TV, such a collection of crossword or sudoko puzzles, a loan of your music CDs or a good book. Another gift idea is to volunteer to take care of the person's pets, cut their grass, pick up newspapers, shovel snow from their sidewalk, or do other home tasks.

She also talked about another topic in her book covering four steps of what to say to someone you meet after they've suffered the personal loss of a loved one. The steps are: (1) Start a conversation with a warm greeting; (2) Acknowledge the loss; (3) Give the person a chance to talk and then listen to what they have to say; and (4) End the conversation with positive words. If you'd like to read Bonnie's book, you can buy it on amazon.com.

### May 30 Bolder Boulder "10K Starting Line" Foothills Fundraiser

Our club provided starting-line security team support for the annual Bolder Boulder 10K citizens' race on Memorial Day Monday, May 30. David Petrick coordinated volunteer sign-up and event publicity. We'll receive \$20 from the Bolder Boulder race organizers for 19 volunteer n all. In addition to David, Foothills volunteers included Joe Girard, Greg Lefferdink, Fred McGehan, Bob Mohling and wife Marilyn, Gerald Mordhorst, Adam Pauluhn, Waverly Person, and Dave Rogers. Also, nine volunteers not connected with Foothills Kiwanis helped with this project. As we've done in the past, all of the funds our club raised will be forwarded to the Team River Runners (TRR) non-profit organization that helps to rehabilitate recent war veterans through white-water programs in Colorado (see -- [www.teamriverrunner.org](http://www.teamriverrunner.org)). Many thanks to David for leading this year's 10K Starting Line project!
