## Snippets from Recent Club Programs

### March 4 – Jerry Gilland, “Service Dogs for Kids”

Jerry provided a status report of the Service Dog program for our club members and guests. He reported that currently we have two dogs placed: Cody with Darla (peanut allergy) and Casey with Zylar (diabetes). There are two dogs in final training: Dusty with Alex (diabetes) and Duffy with Erik (peanut allergy). Four dogs are in “academy training” in which the dogs go to their family at age seven weeks with family training meetings held twice monthly. These dogs and their recipients are: Copper with Gracie (diabetes), Bob with Ezra (developmentally delayed with seizures), KB with Jaden (diabetes), and Max with Ryan (diabetes).

Our club goal is to graduate four dogs per year. Jerry gave the club a report on policies and procedures used in the dog training program. He will be phasing out Track A, which included raising the dog to maturity and then placing the dogs with the family. In Track B, the dog is placed with the family at seven weeks in “academy training” until the dog graduates at age two. Jerry reported that in one option finances are currently in place to buy 13 dogs for the next 3.5 years with \$6k in reserve for potential vet bills. If our club fundraisers can provide \$2k per year, the service dog project can be supported indefinitely. We have sponsors in place for major costs. These firms are: All Pets, Hills, and Caplan & Earnest. We appreciate our sponsors for their support to our program.

Trial placement of Duffy, with training by Ray and Jerry, took place at our club meeting. Ray presented Duffy to Erik.

Many hands are needed to administer, fundraise, and train the service dogs. There was a wonderful response to Jerry’s request for help from our club. Thank you, Jerry and Janet, for your dedication to this community project to help kids!
