August 10 – Dawn White, RMD Division 11 Lt. Governor, “Farewell to Foothills Kiwanis”

Dawn spoke to our club members for the last time as the Rocky Mountain District/Division 11 Lt. Governor before her term ends on September 30. (Note: Dawn’s role will be filled by Amanda Griffin on October 1.) Dawn provided feedback from the August 6-9 RMD Annual Convention held at the Radisson Hotel in Aurora, including:

- Sadly, 53 RMD Kiwanis members passed away this past year, which reminds us that we need to work harder than ever to recruit new Kiwanis Club members. Our Division 11 Kiwanis membership decreased by six this past year.
- Our 2015-2016 RMD Governor is Jon Mangion, and our RMD Governor-Elect for 2016-2017 is Kathy Lee.
- Bert West is a candidate from our District to serve as a Kiwanis International Trustee and will be a candidate for this role at the next KI Convention.
- There was a wonderful tribute to deceased Kiwanis legend Noris Lusche during the Interclub Luncheon on Saturday.
- Dawn is hopeful that a District Committee will be created to make sure the District-level Stars of Tomorrow competition will be held during spring 2016.
- Our RMD Foundation project is to support the Ronald McDonald Houses in Denver and Aurora that provides temporary accommodations for kids undergoing treatment at the Denver Children’s Hospital and other medical facilities. Volunteers are needed to help maintain these homes. Tiffany Lawrence is our main contact.

Dawn will be helping with the RMD Key Leader activities for weekend retreats in the fall at the Windy Peaks and Roundup River Ranch sites. She suggested our club consider providing support for the Peak to Peak Key Club.

Kiwanis International Reaches \$100 Million in ELIMINATE Project Donations – From Kiwanis International news release on August 18, 2015

During Kiwanis International's centennial year, we've been celebrating the power of 100. But now that number represents more than just a look back at our past. Today, it became a big step forward. Kiwanis International is pleased to announce that The Eliminate Project: Kiwanis eliminating maternal and neonatal tetanus has reached \$100 million in cash and pledges. That means the Kiwanis family has saved or protected more than 55 million lives since 2010. And it leaves us just US\$10 million away from our fundraising goal of US\$110 million.

Five years ago, we made a commitment. Now we're on the verge of making history. When that moment comes ... how will you be remembered in Kiwanis history? Make sure you're part of it! Give today. Then share our big news—and this big opportunity—with family, friends and others.
