12/19/22 – Craig Hurst, Energy Update (Postponed)

The kitchen staff at The Grill did not show for our 12/19 meeting so Paul arranged for coffee and food at the Courtyard Marriot in Louisville.

Unfortunately, we had to postpone Craig’s energy

presentation to early next year. Despite the no show situation, everyone had fun in fellowship at the Courtyard since Joe picked up the tab for us. Craig, Bill Lester, Lori, and Bob picked up the club’s paraphernalia from The Grill cabinet. Craig will store the paraphernalia until we find a new meeting location. The Executive has negotiated a six Monday morning meeting contract with the Brewing Market at 95th and Arapahoe.

12/26/22 – Round Table at Brewing Market, Merry Christmas!

Eight members and guests attended the Round Table fellowship meeting at the Brewing Market community room – our first meeting at the new location. Our guests were Stein Cass and Fred Fusilier. Pat was our hostess; we were provided frittatas, yogurt, and coffee. The meeting room cozy with a warm fireplace. We assembled from 6:45 to 8:15 am – there was no wait to enter the meeting room! We plan to meet next week in roundtable format and four additional member meetings at this location for the month of January. Thanks to Joe for negotiating the terms with Sydney, the owner.

12/10/22 New Alert Service Dog Family

-- Alan Boeve

Izzy with new puppy in training program

Alan and Dave along with his wife Jan made a home visit to a potential new dog family on 12/10. Parents Timber and Casey with their daughter Izzy turned out to be outstanding candidates. Turned out that Dave and Timber attended big rival colleges in South Dakota (small world)! A new pup was chosen the next day with Izzy and her mom attending the selection process. It was a very successful weekend for our dog program and thanks go out to Dave as well as Chet Bunting who helped with the testing. Congratulations to our newest family!

Unified Sport Schedule at Erie HS

Ryan, of the Erie Satellite group, contacted staff members at the Erie school and they are very excited that the group will be providing the Unified Sport team with 25 backpacks. The Erie group purchased these backpacks, with identifier tags, for the athletes (with disabilities) using some of their Coolest Dog money. Depending upon the backpacks arrival, they will be distributed at one of the practice games. This is an excellent first project for the Erie group. Please consider attending some of these basketball games; see the attached game schedule.
